DATES & RULES

Dear Soccer Enthusiast:

As summer draws closer many teams are finishing their game schedules, many former players are returning from college. For some, it may be the last year for the team in league competition, for others fond memories of their former team. All the joys of playing with the team is about to be lost for all time. Wouldn't it be great to be able to keep the team together for a few more years?

Well you can! The Long Island Soccer Football League is about to begin its Ryder Vass Tournament. It's the perfect venue to keep your team together. Starting in June and finished by the end of July, teams play once during the week and once on Sunday. Every team is guaranteed a minimum of 6 or more games.

The competition is outstanding! Some of the best college players can be found competing in the tournament. If you are interested in finding out more about the tournament call:
